

## **Swiss Atrial Fibrillation Cohort Study - Subproject Proposal Form**

Please complete the entire form (2 pages max.) and send it to Dr. Stefanie Aeschbacher, Email: [stefanie.aeschbacher@usb.ch](mailto:stefanie.aeschbacher@usb.ch), for review by the Steering Committee.

### **Type of subproject proposal**

(Check at least one of the answers below)

Abstract  Yes  No Project #   
Full manuscript  Yes  No Date received: \_\_\_\_\_

### **Proposed writing group (Indicate potential investigators/authors for this project)**

***Project Title:***

***Project leader:***

***Supporting SWISS-AF member:***

***Suggestions for co-authors:***

### **Background and potential significance (incl. 1-3 key references)**

(Explain briefly why this subproject is innovative with respect to prior studies done in this field)

### **Study hypotheses/specific aims**

(List the study hypotheses and specific aims of this subproject)

## **Methods**

(Describe briefly the methods you plan to use to address the study hypothesis/questions, in particular, what variables you need from the SWISS-AF database to accomplish your goals)

### ***Study population with inclusion/exclusion criteria (incl. planned sample size)***

### ***Baseline variables needed*** (Please be as specific as possible)

### ***Primary and secondary outcome variables needed*** (Please be as specific as possible)

### ***Planned analyses*** (Provide a brief description of the statistical analyses)

## **Project Timeline**

(Indicate the presumed date when the project will be completed)

## **Tentative budget**
